III. **The Rejection of Claims 79, 136, 139, 142 and 143 under 35 U.S.C. 103**

Claims 79, 136, 139, 142, and 143 are rejected under 35 U.S.C. 103 as being unpatentable over Schulein et al. (A) (U.S. Patent No. 6,001,639) in view of Schulein et al. (B) (WO 94/07998). This rejection is respectfully traversed.

Schulein et al. (A) and Schulein et al. (B) disclose various cellulases and variants thereof. However, neither Schulein et al. reference teaches or suggests the cellulase variants of the present invention.

For the foregoing reasons, Applicants submit that the claims overcome this rejection under 35 U.S.C. 103. Applicants respectfully request reconsideration and withdrawal of the rejection.

IV. **Conclusion**

In view of the above, it is respectfully submitted that all claims are in condition for allowance. Early action to that end is respectfully requested. The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,
